Jury came back! Not guilty on the OUI Drugs but Guilty on the Operating with Suspended License & Possession Class E. After bench trial, the Suspended License was found to be a subsequent offense. The defendant received a sentence of 6 months house of corrections committed for both offenses. So we didn't get guilty on everything but the defendant definitely got a good sentence. Thanks for coming in and hope to work with you in the future!

Thank you for being so accommodating.

Judge Moriarty is usually very flexible and considerate to the chemist.

Stay warm.
